Ateneo de Manila University - B.S. Management Engineering — Quezon City · Expected Jun 2029
QPI 3.56 · Director's List · 2× Dean's Lister

Grace Christian College - STEM, Engineering Track — Quezon City · Jun 2025
GPA 96.17% · Top 4 of batch · Honors Class

EXPERIENCE

Ritual Matcha Co. — Remote
Business Systems Consultant — *Jul 2026 – Present*

- Self-initiated and now leading RMC's backend migration from Google Sheets to **Supabase (PostgreSQL) and Cloudflare**, fixing **2-minute dashboard loads** and timeouts projected within a year; supervising 1 intern.
- Unified **8+ fragmented Google Sheets** into a Shopify-integrated Apps Script portal, replacing a co-founder's **1+ day monthly** manual report with real-time dashboards for sales of **PHP 2M+ per month**.

Sales Operations Intern — *Mar 2026 – Jul 2026*

- Replaced an unreliable formula-based inventory ledger with an Apps Script system tracking **40+ SKUs across 3 locations**, giving founders trusted data for demand-based purchasing to serve **500+ café clients**.
- Digitized a physical kanban purchase-order process into a tracked request system handling **~20 POs per week**, cutting request-to-purchase turnaround from **a week to same-day**.
- Refactored **5+ legacy Apps Script codebases**, reducing PO receiving and tracking-sticker generation from **8 minutes to 1 (-87%)**.

GoRocky — Remote
Growth Analyst Intern — *Jan 2026 – Apr 2026*

- Built an end-to-end financial model for a joint venture projecting **PHP 1.7M in monthly EBITDA**, securing leadership approval to launch.
- Built an n8n CRM pipeline automating **1,000+ Viber/SMS messages per week**, removing manual outreach.

Klick n Code — Remote
Owner & Founder — *Mar 2021 – Apr 2026*

- Founded a solo development studio at age 13 building Discord bots and websites for **30+ international clients**, generating **PHP 390K+ profit**.
- Built a reusable bot framework that cut development time **40%**, shipping most projects within a week.

LEADERSHIP

Ateneo Celadon — Ateneo de Manila University
Associate Vice President of Organization Strategies & Research Department — *Jun 2026 – Present*

- Led a **17-person department** running **3+ training workshops for 100+ members**; built Celadon's first website with an applicant portal, PM toolkit, and **the first URL shortener by an ADMU org** with branded QR codes.

Project Manager, Recruitment Week and Welcome Week '26 — *Jun 2026 – Sep 2026*

- Directed a **44-person, 6-committee team** that recruited **832 members (+24% YoY)** and generated **PHP 81,770 in revenue against PHP 8K in costs** despite record typhoon class suspensions, through contingency planning, a shorter sign-up flow, and targeted emails.
- Launched 3 first-time initiatives: ADMU's first Mahjong leaderboard on Apps Script (**350+ users, 1,000+ games in 4 days**), open core-team recruitment (**80+ applicants**), and a mobile game tournament at **2x expected turnout**.

Ateneo Management Engineering Association — Ateneo de Manila University
Recruitment & Secretariat Core Head, LEADS 2627 — *Sep 2026 – Present*

- Proposed and led a **5-person team** to build MEA's **first custom applicant portal**, replacing Google Forms with an immersive, story-themed web app for a 3-day offsite leadership camp.
- Built the Google Sheets backend for **100+ participants**, automating tracking, email blasts, and family grouping to save **8+ hours of manual work**.
